With respect to the Plan, including the Benefit Programs, the Administrator shall have, without limitation, the following discretionary authority, duties and powers:

CLAIMS AND APPEALS

Claims

All claims for benefits under the Plan and any assignment of benefits to a provider shall be made, processed and paid in accordance with Department of Labor Regulations § 2560.503-1 and other applicable law, and the terms and conditions of the applicable Benefit Program and the related provisions of the summary plan description for such program. The Administrator shall be the claims fiduciary unless this function is delegated to another person or entity under this Section.

No Estoppel of Plan

No person is entitled to any benefit under the Plan except and to the extent expressly provided under the terms and conditions of the applicable Benefit Program. The fact that payments have been made from the Plan in connection with any claim for benefits does not (a) establish the validity of the claim; (b) provide any right to have such benefits continue for any period of time; or (c) prevent the Plan from recovering the benefits paid to the extent that the Administrator determines that there was no right to payment of the benefits under the Plan. Thus, if a benefit is paid and it is thereafter determined that such benefit should not have been paid (whether or not attributable to an error by the Participant or any other person), then the Administrator may take such action as it deems necessary or appropriate to remedy such situation, including without limitation, by deducting the amount of any overpayment theretofore made to or on behalf of such Participant from any succeeding payments to or on behalf of such Participant under the Plan or from any amounts due or owing to such Participant by the Company or under any other plan, program or arrangement benefiting the Employees or former Employees of the Company, or otherwise recovering such overpayment from whomever has benefited from it.

If the Administrator determines that an underpayment of benefits has been made, then the Administrator shall take such action as it deems necessary or appropriate to remedy such situation.

Claims Procedures

The specific guidelines for filing a Claim or a request for a review of a denied claim shall be set out in the summary plan description for each Health Benefit Program. Such procedures shall comply with the general provisions of this Section and shall be designed to ensure the independence and impartiality of the persons involved in making decisions on such Claims. A Claimant must follow all internal claims and appeal procedures and, where applicable, all external review procedures before he can file a lawsuit to contest the decision.

Definitions

For purposes of this Section, the following capitalized terms shall have the meanings set forth below:

- 1) “Non-Grandfathered Plan” means a Health Benefit Program that is (1) subject to Title I of the Patient Protection and Affordable Care Act of 2010, as amended, and (2) does not meet the requirements for “grandfathered status” within the meaning of that Act.
- 2) “Claim” means any request for a benefit under a Health Benefit Program, made by a Claimant or representative which complies with the reasonable procedures for making benefit Claims under such program.
- 3) “Concurrent Care Claim” means a Claim for an ongoing course of treatment to be provided over a period of time or number of treatments. Any reduction or termination by the Health Benefit Program of the course of treatment (other than by plan amendment or termination) before the end of the period of time or number of treatments originally approved is considered an Adverse Benefit Determination.
- 4) “Pre-Service Claim” means any Claim for a benefit under a Health Benefit Program which conditions receipt of the benefit, in whole or in part, on approval in advance of obtaining medical care.
- 5) “Urgent Care Claim” means a Pre-Service Claim for medical care or treatment with respect to which the time frame for a non-urgent care determination could seriously jeopardize the life or health of the Claimant; or the ability of the Claimant to regain maximum function; or in the opinion of the attending or consulting physician, would subject the Claimant to severe pain that could not be adequately managed without the care or treatment that is the subject of the Claim.
- 6) A physician with knowledge of the Claimant’s medical condition may determine if a Claim is one involving Urgent Care. If there is no such physician, an individual acting on behalf of the Health Benefit Program applying the judgment of a prudent layperson who possesses an average knowledge of health and medicine may make the determination. “Post-Service Claim” means any Claim that is not a Pre-Service Claim.
- 7) “Adverse Benefit Determination” means a total or partial denial of a Claim. For a Non-Grandfathered Plan, a retroactive rescission of coverage due to fraud or misrepresentation shall be treated as an Adverse Benefit Determination.
- 8) “Appeal” means a Claimant’s written request for review of an Adverse Benefit Determination in accordance with Appeal Section.
- 9) “Final Adverse Benefit Determination” means an Adverse Benefit Determination issued in connection with the last stage of Appeal as set forth in the Appeals Section.

Notice to Claimant of Adverse Benefit Determinations.

- 1) **Initial Claims** - Except with respect to Urgent Care Claims (the notification for which may be oral followed by written or electronic notification within three days of the oral notification), upon its initial determination of a Claim, the Administrator shall provide written or electronic notification of any Adverse Benefit Determination. The notice will state, in a manner calculated to be understood by the Claimant:
 - a. The specific reason or reasons for the adverse determination, including for Non-Grandfathered Plans, the denial code and its corresponding meaning, and a description of the Non-Grandfathered Plan's standard, if any, that was used in denying the Claim.
 - b. Reference to the specific Health Benefit Program provisions on which the determination was based.
 - c. A description of any additional material or information necessary for the Claimant to perfect the Claim and an explanation of why such material or information is necessary.
 - d. A description of the Health Benefit Program's appeal procedures, including any voluntary appeal procedures offered by the Health Benefit Program and for Non-Grandfathered Plans, any external review procedures, and the time limits applicable to such procedures. This will include a statement of the Claimant's right to bring a civil action under section ERISA §502.
 - e. If the Adverse Benefit Determination was based on an internal rule, guideline, protocol, or other similar criterion, the specific rule, guideline, protocol, or criterion will be provided free of charge, or a statement will be included that such a rule, guideline, protocol, or criterion was relied upon in making the Adverse Benefit Determination and a copy will be provided free of charge to the Claimant upon request.
 - f. If the Adverse Benefit Determination is based on a medical necessity or experimental or investigational treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination, applying the terms of the Health Benefit Program to the Claimant's medical circumstances, will be provided, or a statement will be included that such explanation will be provided free of charge, upon request.
 - g. For Non-Grandfathered Plans, information sufficient to allow the Claimant to identify the Claim involved (including date of service, the healthcare provider, the Claim amount, if applicable, the diagnosis code and its corresponding meaning, and the treatment code and its corresponding meaning).

- h. For Non-Grandfathered Plans, information about the availability of and contact information for, any applicable office of health insurance consumer assistance or ombudsman established under applicable federal law to assist individuals with the internal claims and appeals procedures and external review process.
- 2) **Appeals** - The Administrator shall also provide written or electronic notice of an Adverse Benefit Determination on Appeal. This notice shall contain the information listed in subsections (a)(1) through (8), as well as:
- a. A statement that the Claimant is entitled to receive, upon request and free of charge, reasonable access to and copies of all documents, records and other information relevant to the Claim.
 - b. In the case of a Final Adverse Benefit Determination for a Non-Grandfathered Plan, a discussion of the decision.

Appeals

When a Claimant receives an Adverse Benefit Determination, the Claimant has 180 days following receipt of the notification in which to request a review of the decision, unless a shorter time is permitted by law. A Claimant may submit written comments, documents, records, and other information relating to the Claim. If the Claimant so requests, he or she will be provided, free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to the Claim.

- 1) A document, record, or other information shall be considered relevant to a Claim if it:
 - a. was relied upon in making the benefit determination;
 - b. was submitted, considered, or generated in the course of making the benefit determination, without regard to whether it was relied upon in making the benefit determination;
 - c. demonstrated compliance with the administrative processes and safeguards designed to ensure and to verify that benefit determinations are made in accordance with Health Benefit Program documents and Health Benefit Program provisions have been applied consistently with respect to all Claimants; or
 - d. constituted a statement of policy or guidance with respect to the Health Benefit Program concerning the denied treatment option or benefit.

For Non-Grandfathered Plans, the Administrator shall provide the Claimant any new or additional evidence that is relied upon, considered or generated by or at the direction of the Non-Grandfathered Plan. This new evidence shall be provided free of charge and must be

provided to Claimant as soon as possible and sufficiently in advance of the time within which a Final Adverse Benefit Determination is required, to allow the Claimant time to respond.

If a Final Adverse Benefit Determination will be based on a new or additional rationale, the Claimant must be provided with this rationale as soon as possible and sufficiently in advance of the date on which the Final Adverse Benefit Determination must be provided, in order to give the Claimant a reasonable opportunity to respond prior to that date.

The Administrator's review shall take into account all comments, documents, records, and other information submitted by the Claimant relating to the Claim, without regard to whether such information was submitted or considered in the initial benefit determination. The review will not afford deference to the initial Adverse Benefit Determination and will be conducted by a fiduciary of the Health Benefit Program who is neither the individual who made the adverse determination nor a subordinate of that individual.

If the determination was based on a medical judgment, including determinations with regard to whether a particular treatment, drug, or other item is experimental, investigational, or not medically necessary or appropriate, the Administrator shall consult with a health care professional who was not involved in the original benefit determination, nor a subordinate of any individual involved in the original determination. This health care professional will have appropriate training and experience in the field of medicine involved in the medical judgment. Additionally, medical or vocational experts whose advice was obtained on behalf of the Health Benefit Program in connection with the initial determination will be identified.

If specifically provided under the Health Benefit Program, a Claimant may bring a second Appeal, which shall be subject to the terms of this section.

Voluntary Appeals

If a Health Benefit Program Provides for a voluntary appeal process, the terms of this section shall apply. During voluntary dispute resolution, any statute of limitations or other defense based on timeliness is tolled during the time any voluntary appeal is pending.

The Health Benefit Program waives any right to assert that a Claimant has failed to exhaust administrative remedies because he or she did not elect to submit a benefit dispute to the voluntary appeal provided by the Health Benefit Program. A Claimant may elect a voluntary appeal after exhaustion of appeals of an adverse benefit determination as explained in the section above, entitled, "Appeals."

The Health Benefit Program will provide to the Claimant, at no cost and upon request, sufficient information about the voluntary appeal to enable the Claimant to make an informed judgment about whether to submit a benefit dispute to the voluntary level of appeal. This information will include a statement that the decision will have no effect on the Claimant's rights to any other benefits under the Health Benefit Program; will list the rules of the appeal; state the Claimant's right to representation; enumerate the process for selecting the decision maker; and give circumstances, if any, that may affect the impartiality of the decision maker.

No fees or costs will be imposed on the Claimant as part of the voluntary level of appeal.

Time for Responses

Upon receipt of a Claim or an Appeal of an Adverse Benefit Determination, the Administrator (or its delegate) shall make its determination and provide any required notice within the following time periods.

- 1) **Urgent Care Claims** - The Administrator shall decide the Claim as soon as feasible, but no later than 72 hours following receipt of the Claim. For Non-Grandfathered Plans, this time should be as soon as possible. If additional information is needed in order to decide the Claim, the Administrator will notify the Claimant within 24 hours and the Claimant shall have at least 48 hours to provide the required information. The Administrator will notify Claimant of its benefit determination within 48 hours after the earlier of: (i) receipt of the required information, or (ii) the expiration of the period afforded to Claimant to provide the information. In the case of an Adverse Benefit Determination, Claimant will be provided a description of the expedited claim review process for Urgent Care Claims.

Appeal of an Adverse Benefit Determination shall be decided as soon as feasible, but no later than 72 hours after the Administrator receives the request for review or Appeal.

- 2) **Pre Service Claims** - A Pre-Service Claim shall be decided within 15 days after the Administrator receives the Claim, although the review period may be extended an additional 15 days if necessary due to circumstances beyond the Administrator's control. Claimant will be notified within the original 15-day period of the reason for the extension and the date the Administrator expects to render its decision.

If Claimant does not follow a Health Benefit Program's procedures for filing a Pre-Service Claim, the Administrator must notify Claimant within 5 days of the proper procedures for Claimant to complete the claim.

If the Administrator cannot render a decision within 15 days because Claimant has not provided sufficient information to review the Claim, the notice of extension must describe the specific information needed to complete the Claim. Claimant will be given at least 45 days from receipt of this notice to provide the required information. The Administrator has 15 days after it receives the information to render its decision.

The Administrator will decide an Appeal of a denied Pre-Service Claim within 30 days after receiving the request for review; provided, if a Health Benefit Program provides for two levels of Appeal, the Administrator shall decide each level of Appeal within 15 days.

- 3) **Concurrent Care Claims** - An Adverse Benefit Determination involving Concurrent Care will be made sufficiently in advance of any reduction in or termination of

treatment to allow Claimant to appeal the Adverse Benefit Determination. If a course of treatment involves urgent care, Claimant's request to extend the course of treatment will be decided as soon as possible, but not later than 24 hours after the Administrator receives the request, provided that the request is made at least 24 hours prior to the expiration of treatment.

- 4) **Post Service Claims** - A Post-Service Claim shall be decided within 30 days after the Administrator receives the Claim. The Administrator may extend the review period for an additional 15 days if necessary due to circumstances beyond the control of the Administrator. The Administrator will notify Claimant within the original 30-day period of the reason for the extension and the date by which the Administrator expects to render its decision.

If the Administrator cannot render a decision within 30 days because Claimant has not provided sufficient information to determine whether, or to what extent, benefits are covered or payable under the Health Benefit Program, the notice of extension will describe the specific information needed to complete the Claim. Claimant will be given at least 45 days from receipt of the notice to provide the required information. The Administrator has 15 days from the date of receiving such information to render its decision.

An Appeal involving a Post-Service Claim shall be decided by the Administrator within 60 days after receiving the request for review; provided, if a Health Benefit Program provides for two levels of Appeal, the Administrator shall decide each level of Appeal within 30 days.

External Review Process

For Non-Grandfathered Plans, upon exhaustion of the internal claims and appeal procedures, a Claimant may request that the Claim be reviewed under the Non-Grandfathered Plan's external review process. The Non-Grandfathered Plan shall comply with the applicable State external review process, if any, and if none, the federal external review process. If the federal external review process applies, the following guidelines shall apply.

The Claimant must file his request for external review within 4 months after receipt of the Final Adverse Benefit Determination.

The Administrator will determine whether the Claim is eligible for review under the external review process. This determination is based on whether:

- 1) The Claimant is or was covered under the Non-Grandfathered Plan at the time the Claim was made or incurred;
- 2) The Claimant has exhausted the Non-Grandfathered Plan's internal claims and appeal procedures; and
- 3) The Claimant has provided all the information required to process an external review.

Within one business day after completion of this preliminary review, the Administrator will provide written notification to the Claimant of whether the claim is eligible for external review.

If the request for review is complete but not eligible for external review, the Administrator will notify the Claimant of the reasons for its ineligibility. The notice will include contact information for the Employee Benefits Security Administration at its toll free number.

If the request is not complete, the notice will describe the information needed to complete it. The Claimant will have 48 hours or until the last day of the 4 month filing period, whichever is later, to submit the additional information.

If the request is eligible for the external review process, the Administrator will assign it to a qualified Independent Review Organization (“IRO”). The IRO is responsible for notifying the Claimant, in writing, that the request for external review has been accepted. The notice should include a statement that the Claimant may submit in writing, within 10 business days, additional information the IRO must consider when conducting the review. The IRO will share this information with the Non-Grandfathered Plan. The Non-Grandfathered Plan may consider this information and decide to reverse its denial of the Claim. If the denial is reversed, the external review process will end.

If the Non-Grandfathered Plan does not reverse the denial, the IRO will make its decision on the basis of its review of all of the information in the record, as well as additional information where appropriate and available, such as:

- 1) The Claimant’s medical records;
- 2) The attending health care professional’s recommendation;
- 3) Reports from appropriate health care professionals and other documents submitted by the plan or issuer, Claimant, or the Claimant’s treating provider;
- 4) The terms of the Non-Grandfathered Plan;
- 5) Appropriate practice guidelines;
- 6) Any applicable clinical review criteria developed and used by the plan; and
- 7) The opinion of the IRO’s clinical reviewer.

The IRO must provide written notice to the Non-Grandfathered Plan and the Claimant of its final decision within 45 days after the IRO receives the request for the external review. The IRO’s decision notice must contain:

- 1) A general description of the reason for the external review, including information sufficient to identify the claim;
- 2) The date the IRO received the assignment to conduct the review and the date of the IRO's decision;
- 3) References to the evidence or documentation the IRO considered in reaching its decision;
- 4) A discussion of the principal reason(s) for the IRO's decision;
- 5) A statement that the determination is binding and that judicial review may be available to the Claimant; and
- 6) Contact information for any applicable office of health insurance consumer assistance or ombudsman established under federal guidelines.

Generally, a Claimant must exhaust the Non-Grandfathered Plan's claims and appeal procedures in order to be eligible for the external review process. However, an expedited external review is available if:

- 1) The Claimant receives an Adverse Benefit Determination that involves a medical condition for which the time for completion of the Non-Grandfathered Plan's internal claims and appeal procedures would seriously jeopardize the Claimant's life or health or ability to regain maximum function and the Claimant has filed a request for an expedited internal review; or
- 2) The Claimant receives a Final Adverse Benefit Determination that involves a medical condition where the time for completion of a standard external review process would seriously jeopardize the Claimant's life or health or the Claimant's ability to regain maximum function, or if the Final Adverse Benefit Determination concerns an admission, availability of care, continued stay, or health care item or service for which the Claimant received emergency services, but has not been discharged from a facility.

Immediately upon receipt of a request for expedited external review, the Non-Grandfathered Plan must determine and notify the Claimant whether the request satisfies the requirements for expedited review, including the eligibility requirements for external review listed above. If the request qualifies for expedited review, it will be assigned to an IRO. The IRO must make its determination and provide a notice of the decision as expeditiously as the Claimant's medical condition or circumstances require, but in no event more than 72 hours after the IRO receives the request for an expedited external review. If the original notice of its decision is not in writing, the IRO must provide written confirmation of the decision within 48 hours to both the Claimant and the Non-Grandfathered Plan.

MISCELLANEOUS RULES

Information to be Furnished by Participants

Participants under the Plan must furnish the Administrator with such evidence, data or information as the Administrator considers necessary or desirable to administer the Plan and the Benefit Programs. A fraudulent or knowing misstatement or omission of fact made by a Participant or Dependent in an enrollment form, a claim for benefits or similar manner may result in cancellation of coverage and/or denial of claims for benefits.

Records

As a condition of receiving benefits payable under a Benefit Program, a Participant may be required to provide the Administrator with any evidence and records of expenses incurred by such Participant and each of such Participant's Dependents in such form as the Administrator shall from time to time specify.

No Vested Interest

No person shall have any right, title or interest in or to any contributions made under the Plan and the Benefit Programs, such contributions being made for the sole purpose of providing benefits under the Programs in accordance with their terms. Neither the Company, the Administrator, nor any Employer shall in any way guarantee the payment of any benefit that may be or become due to any person under the Plan or the Benefit Programs.

Employment Rights

Employment rights of an Employee shall not be deemed to be enlarged or diminished by reason of establishment of, or participation in, the Plan or any Benefit Program, nor shall establishment of the Plan and the Benefit Programs confer upon any Employee any right to be retained in the service of an Employer.

Cost of Plan and Program Administration

The costs and expenses incurred in the administration of the Plan and the Benefit Programs shall be paid, in the discretion of the Administrator, (i) from assets accumulated under the Plan and the Benefit Programs, if any; (ii) from Employee contributions; or (iii) by the Employers in such proportion as the Company or the Administrator shall determine.

Evidence

Evidence required of anyone under the Plan and the Benefit Programs may be by certificate, affidavit, document or other information which the Administrator considers pertinent and reliable, and signed, made or presented by the proper party or parties.

Physical Examination and Autopsy

In addition to any rights and privileges granted under a Benefit Program, the Administrator, at its own expense, shall have the right and opportunity to have a physician, designated by the Administrator, examine any individual whose injury or sickness is the basis of a claim under the Plan and the Benefit Programs, when and as often as it may reasonably require during the pendency of a claim or any period of benefits under the Plan and the Benefit Programs and to make an autopsy in case of death, provided it is not otherwise prohibited by law.

Notwithstanding the foregoing, a Health Benefit Program that is not an excepted benefit program under ERISA § 732(b), (c) or (d), shall not request or require an individual to undergo a genetic test.

Recovery of Benefits

If, because of fraud, mistake or any other reason, a person receives a benefit payment under the Plan and the Benefit Programs that exceeds the benefit payment that should have been made, the Administrator shall have the right to recover the amount of such excess from such person. The Administrator may, however, at its option, deduct the amount of such excess from any subsequent benefits payable to, or for, the Participant or such Participant's Dependents to whom or on whose behalf the excess payment was made.

Lawsuits Concerning Benefits

No lawsuit may be brought by any person or entity to recover benefits under the Plan more than three years from the date Plan benefits are finally denied.

Workers' Compensation Not Affected

The Plan is not in lieu of, and does not affect any requirement for, coverage under Workers' Compensation.

Severability

In case any provisions of the Plan or any Benefit Program shall be held illegal or invalid for any reason, such illegality or invalidity shall not affect the remaining provisions of the Plan or any Benefit Program, and the Plan and all Benefit Programs shall be construed and enforced as if such illegal and invalid provisions had never been set forth in the Plan or Benefit Program.

Failure to Enforce

Failure to enforce any provision of the Plan shall not affect the Employer's or Administrator's right thereafter to enforce such provision, nor shall such a failure affect the Employer's or Administrator's right to enforce any other provision of the Plan.

Indemnification

In addition to whatever rights of indemnification the members of the board of directors of the Employer or any Employee or Employees of the Employer to whom any power, authority, or responsibility is delegated pursuant to this Plan or any Benefit Program, may be entitled under the articles of incorporation, by-laws or regulations of the Employer, under any provision of law, or under any other agreement, the Employer shall satisfy any liability actually and

reasonably incurred by any such person or persons, including expenses, attorneys' fees, judgments, fines, and amounts paid in settlement (other than amounts paid in settlement not approved by the Employer in connection with any threats and pending or completed action, suit, or proceeding that is related to the exercising or failure to exercise by such person or persons of any of the powers, authority, responsibilities, or discretion as provided under the Plan or a Benefit Program, or reasonably believed by such person or persons to be provided hereunder, and any action taken by such person or persons in connection therewith, unless the same is judicially determined to be the result of such person or persons' gross negligence or willful misconduct.

SECTION 125 PLAN

An Employee's election under the Cafeteria Plan Arrangement shall be effective for the Program Year, and shall be irrevocable, except to the extent permitted under the Governing Documents and Treasury Regulation § 1.125-4.

Additional Required Terms

Additional terms required under Code § 125 shall be set forth in the Governing Documents for the Cafeteria Plan Arrangement.

ELIGIBILITY AND PARTICIPATION REQUIREMENTS

Once you are enrolled you may only make changes to your benefit elections during Open Enrollment or if you have a Change in Status that affects the eligibility of you or your dependents, *and* the requested election change corresponds with the effect on your eligibility.

A Qualified Change in Status includes:

- A change in your *Legal Marital Status* such as marriage, death of a spouse, divorce, legal separation or annulment.

- A change in your *Number of Dependents* such as birth, adoption, placement for adoption, or death of a child.
- A change in *Employment Status* such as commencement or termination of employment for you, your spouse or your dependent.
- A change in *Work Schedule* such as a reduction or increase in hours including a switch between part-time and full-time, a strike or lockout, or commencement or return from an unpaid leave of absence for you, your spouse or your dependent.
- If your *Dependent satisfies or Ceases to Satisfy the Requirements for Unmarried if applicable*
- *Dependents* due to factors such as age or dependent status.
- A change in *Residence or Worksite* for you, your spouse or your dependent.
- The receipt of a *Qualified Child Support Order*.
- A change in *Entitlement to Medicare or Medicaid* for you, your spouse or your dependent.
- A change in *Eligibility for COBRA* for you, your spouse or your dependent while you are still an active employee.
- Health Insurance Premium Payment (HIPP) is also an allowed change

In addition, under limited circumstances, your Employer may permit you to make a mid-year election change that correspond to changes made by your spouse's or dependent's employer plan (i.e. during the other plan's open enrollment period).

However, all election changes with the exception of Medicare/Medicaid change (which is 60 days) must be requested within 30 days of the event in question.

Employee Eligibility—Look-Back Measurement Method

The Company offers coverage under its health plan to full-time employees. A full-time employee is an employee who is employed, on average, for at least 30 hours of service per week or 130 hours of service in a calendar month. Full-time employees may also elect coverage for their Spouse and dependent children up to age 26.

Effective January 1st the Company will use a look-back measurement method to determine whether an employee is a full-time employee for purposes of Plan coverage. The look-back measurement method is based on Internal Revenue Service (IRS) final regulations under the Affordable Care Act (ACA). Its purpose is to provide greater predictability for Plan coverage determinations.

The look-back measurement method applies to Company employees.

The look-back measurement method involves three different periods:

- **A measurement period** for counting an employee's hours of service (also called a standard measurement period or an initial measurement period);
- **A stability period** when the employee is either treated as full-time or non-full-time for Plan eligibility purposes; and

- **An administrative period** that allows time for Plan enrollment and disenrollment.

The Company establishes how long these periods will last, subject to specified IRS parameters.

An ongoing employee is one who has been employed by the Company for at least one complete standard measurement period (SMP). If an ongoing employee was employed, on average, for at least 30 hours of service per week (or 130 hours per month) during the SMP, the employee is treated as a full-time employee for a set period into the future, known as the stability period. This means that, as a general rule, the employee is eligible for Plan coverage during the stability period, regardless of the employee's number of hours of service during the stability period, as long as he or she remains an employee.

To make an election change, contact your Plan Sponsor.

COBRA

Continuation of benefits under COBRA

Qualified Beneficiaries shall have all continuation rights required by the Consolidated Omnibus Budget Reconciliation Act ("COBRA") for health benefits offered under Welfare Programs within this Plan. To the extent a Welfare Program offering health benefits does not specify COBRA Continuation Coverage rights in accordance with Code Section 4980B, the Plan shall be administered in accordance with Code Section 4980B and 29 CFR Part 2590.606-1 through 2590.606-4, with respect to the final COBRA notice rules and regulations for group health plans. In addition, the Plan Administrator shall adopt such policies and provide such forms, as it deems advisable to implement the rights contemplated by this Section.

Election of COBRA

COBRA Continuation Coverage for Terminated Participants. In the event a Covered Employee, Qualified Dependent or Qualified Beneficiary experiences a Qualifying Event, the Plan Administrator shall provide notice of COBRA Continuation Coverage election that shall inform such individual of his or her rights and obligations with respect to COBRA Continuation Coverage under the Plan.

A Qualified Beneficiary who is a Covered Employee may elect COBRA Continuation Coverage, at his own expense, if his participation under the Plan would terminate as a result of either of the following Qualifying Events:

- (a) termination of employment (other than for gross misconduct); or
- (b) reduction of hours of employment with the Employer.

COBRA Continuation Coverage for Qualifying Dependent. Subject to the Section above, a Qualified Beneficiary who is a Qualifying Dependent of a Covered Employee may elect COBRA Continuation Coverage, at his own expense, if:

- (a) his participation under the Plan would terminate as a result of a Qualifying Event; or
- (b) the Qualifying Dependent is a child born to, adopted by or placed for adoption with the Covered Employee during the Covered Employee's period of COBRA Continuation Coverage.

A Qualified Beneficiary (or a third party on behalf of the Qualified Beneficiary) must complete and return the required enrollment materials within a maximum of sixty (60) days from the later of:

- (a) loss of coverage; or
- (b) the date the Plan Administrator sends notice of eligibility for COBRA Continuation Coverage.

The Employer shall, in the event of a Qualifying Event that is either a Termination of Employment (other than for gross misconduct) or a reduction of hours, notify the Plan Administrator (or its designee) within thirty (30) days of the later of the date of the Qualifying Event or the date that coverage under the Plan ends. Such notice shall be given in a form and manner as determined by the Plan Administrator, in its sole discretion, in compliance with applicable law. The Plan Administrator shall then notify the Covered Employee and all covered Dependents of their right to elect COBRA Continuation Coverage within fourteen (14) days of such notice from the Employer.

Failure to enroll for COBRA Continuation Coverage during this maximum sixty (60) day period will terminate all rights to COBRA Continuation Coverage under this Plan and such right to COBRA Continuation Coverage shall not be reinstated. A separate election as to what health coverage, if any, is desired may be made by or on behalf of each Qualified Beneficiary. However, an affirmative election of COBRA Continuation Coverage by a Covered Employee or his Spouse shall be deemed to be an election for that Covered Employee's Qualifying Dependents who would otherwise lose coverage under the Plan, unless the election specifically provides to the contrary. Elections for COBRA Continuation Coverage may be made by the Qualified Beneficiary or on his behalf by a third party (including a third party that is not a Qualified Beneficiary). In the event the Plan Administrator determines that a Covered Employee, Qualifying Dependent or Qualified Beneficiary who has furnished a notice of Qualifying Event, second Qualifying Event or disability determination is not entitled to COBRA Continuation Coverage, the Plan Administrator shall provide a notice of unavailability of COBRA Continuation Coverage to such affected individual in accordance with 29 CFR Part 2590.606-4(c).

Period of COBRA Coverage

A Qualified Beneficiary who qualifies for COBRA Continuation Coverage as a result of Termination of Employment (other than for gross misconduct) or reduction in hours of employment, may elect COBRA Continuation Coverage for up to eighteen (18) months measured from the date of the Qualifying Event. With respect to all other Qualifying Events, a Qualified Beneficiary who is a Qualifying Dependent may continue COBRA Continuation Coverage for up to thirty-six (36) months from the date of the Qualifying Event.

A Qualified Beneficiary who properly elects and renders payment for the initial Continuation Coverage Contribution shall have such COBRA Continuation Coverage effective on the date of the Qualifying Event.

Coverage under this Section may not continue beyond:

- (a) the date on which the Employer ceases to maintain a group health plan;
- (b) the last day of the month for which premium payments have been made, if the individual fails to make premium payments on time, in accordance with this Plan;
- (c) the date the Qualified Beneficiary, after the date he or she elects COBRA Continuation Coverage, first becomes enrolled in Medicare;
- (d) the date the Qualified Beneficiary, after the date he or she elects COBRA Continuation Coverage, first becomes covered under another group health plan and is no longer subjected to a pre-existing condition exclusion or limitation under the Qualified Beneficiary's other coverage or new employer plan; or
- (e) in the case of a disabled Qualified Beneficiary (and his disabled or non-disabled family members) receiving COBRA Continuation Coverage under the eleven (11) month extended coverage described in above, the first day of the month that begins more than thirty (30) days after the date the Qualified Beneficiary is determined by the Social Security Administration to no longer be "disabled" within the meaning of the Social Security Act.

In the event the Plan Administrator terminates COBRA Continuation Coverage of a Qualified Beneficiary prior to the end of the maximum available Continuation Coverage Period, the Plan Administrator shall provide a notice of such termination to each affected Qualified Beneficiary in accordance with 29 CFR Part 2590.606-4(d).

Contribution Requirements for Coverage

Qualified Beneficiaries who elect COBRA Continuation Coverage as a result of a Qualifying Event (or third parties on behalf of a Qualified Beneficiary) will be required to pay Continuation Coverage Contributions. Qualified Beneficiaries (or third parties on behalf of a

Qualified Beneficiary) must make the Continuation Coverage Contributions monthly on or prior to the first day of the month of such coverage. However, a Qualified Beneficiary has forty-five (45) days from the date of an affirmative election to pay the Continuation Coverage Contributions for the first month plus the cost for the period between the date health coverage would otherwise have terminated due to the Qualifying Event and the date the Qualified Beneficiary actually elects COBRA Continuation Coverage. If the Qualified Beneficiary fails to make the Continuation Coverage Contribution for the first month's premium, coverage will either terminate or will be retroactively cancelled.

The Qualified Beneficiary shall have a thirty (30) day grace period from the due date (the first of each month) to make the Continuation Coverage Contributions due for such month. Continuation Coverage Contributions must be postmarked on or before the end of the thirty (30) day grace period. The thirty (30) day grace period shall not apply to the forty-five (45) day period for payment of COBRA premiums as applicable to initial elections.

If Continuation Coverage Contributions are not made on a timely basis, COBRA Continuation Coverage will terminate as of the last day of the month for which such premiums were made on a timely basis. Once terminated, COBRA Continuation Coverage shall not be reinstated.

Except as referenced above, the Continuation Coverage Contribution shall be one hundred percent (100%) of the cost of coverage plus a two percent (2%) administrative fee for a total contribution of one hundred two percent (102%) of the cost of coverage.

If timely payment of the Continuation Coverage Contribution is made to the Plan in an amount that is not significantly less than the amount due for a period of coverage, then the amount paid is deemed to satisfy the Plan's requirement for the amount that must be paid for Continuation Coverage Contribution, unless the Plan notifies the Qualified Beneficiary of the amount of the deficiency and grants a reasonable period of time (thirty (30) days) for payment of the deficiency to be made. For purposes of this Section of this Plan, an amount not significantly less than the amount the Plan requires to be paid shall be defined as the lesser of fifty dollars (\$50) or ten percent (10%) of the required payment amount.

Limitation on Qualified Beneficiary's Rights to COBRA Continuation Coverage

If a Qualified Beneficiary loses, or will lose health coverage under the Plan as a result of divorce, legal separation or ceasing to be a Dependent, such Qualified Beneficiary or the Covered Employee must notify the Plan Administrator within a maximum of sixty (60) days of the divorce, legal separation or loss of Dependent status. Such notice shall be required to comply with the Plan's notice procedures as contemplated by this Plan, in accordance with applicable law. Failure to make timely notification shall result in a termination of the Qualified Beneficiary's rights to COBRA Continuation Coverage under this Plan; such right shall not be reinstated.

A Qualified Beneficiary must notify the Plan Administrator of the birth to, adoption or placement for adoption of a child with a Covered Employee receiving COBRA Continuation Coverage. The notice must be provided within a maximum of thirty (30) days of the child's

birth, adoption or placement for adoption with the Qualified Beneficiary, subject to the Plan's notice procedures.

Extension of COBRA Continuation Coverage Period

If a second Qualifying Event that is not a Termination of Employment or reduction in hours occurs during an eighteen (18) month extension period explained above, coverage may be continued for a maximum of thirty-six (36) months from the date of the first Qualifying Event for the affected Qualifying Dependent. A second Qualifying Event will result in an extension of the initial Continuation Coverage Period if such Qualifying Event would have resulted in a loss of coverage under the plan had the first Qualifying Event not occurred. Such extension of COBRA Continuation Coverage applies only to Qualifying Dependents. Therefore, such extension would apply to a child adopted by or placed for adoption with a Qualified Beneficiary, but would not apply to a Spouse who was added to a Qualified Beneficiary's COBRA Continuation Coverage as a result of the Qualified Beneficiary's becoming married after commencement of the initial eighteen (18) month continuation period. Notwithstanding the foregoing, terminating employment after a Qualifying Event that is a reduction in hours of employment does not extend the maximum Continuation Coverage Period beyond eighteen (18) months of COBRA Continuation Coverage.

The maximum COBRA Continuation Coverage Period is extended up to eleven (11) months for Qualified Beneficiaries (and their disabled or non-disabled family members receiving COBRA Continuation Coverage due to the same Qualifying Event) for up to twenty-nine (29) months in total (measured from the date of the Qualifying Event), provided the following requirements are met:

- (a) the Social Security Administration determines that the Qualified Beneficiary was "disabled" on the date of the Qualifying Event or anytime within the first sixty (60) days of COBRA Continuation Coverage, and
- (b) the disabled Qualified Beneficiary provides evidence to the Plan Administrator of such Social Security Administration determination within sixty (60) days of the date of such determination but not later than the last day of the initial eighteen (18) month period of COBRA Continuation Coverage in a manner consistent with the Plan's reasonable notice procedures as contemplated by this Plan. Failure to notify the Plan Administrator of such determination within the time period stated above will result in the loss of the Qualified Beneficiary's right to an extension of the initial eighteen (18) month period of COBRA Continuation Coverage and such right will not be reinstated. In such event, if the disabled Qualified Beneficiary is receiving COBRA Continuation Coverage, the Continuation Coverage Contribution shall be one hundred fifty percent (150%) of the cost of coverage for the nineteenth (19th) through twenty-ninth (29th) month of COBRA Continuation Coverage. Otherwise, the Continuation Coverage Contribution shall continue to be one hundred two percent (102%) of the cost of coverage for the nineteenth (19th) through twenty-ninth (29th) months of coverage.

However, if a Qualified Beneficiary who meets the above requirements receives a final determination from the Social Security Administration that he or she is no longer disabled, the Qualified Beneficiary must notify the Plan Administrator within thirty (30) days of the date of that determination in a manner consistent with the Plan's notice procedures as contemplated by this Plan. Such a final determination shall end the disability extension of COBRA coverage for all Qualified Beneficiaries as of the later of either: (i) the first day of the month following thirty days (30) from the final determination date or (ii) the end of the Continuation Coverage Period without regard to the disability extension.

Responses to Information Regarding Qualified Beneficiary's Right to Coverage

If a provider of health care (such as a physician, hospital, or pharmacy) contacts the Plan to confirm coverage of a Qualified Beneficiary during the COBRA Continuation Coverage election period, the Plan will give a complete response to the health care provider about the Qualified Beneficiary's COBRA Continuation Coverage rights during the election period, and his right to retroactive coverage if COBRA Continuation Coverage is elected. If a provider of health care (such as a physician, a hospital or pharmacy) contacts the Plan to confirm coverage of a Qualified Beneficiary with respect to whom the required payment has not been made for the current period, but for whom any applicable grace period has not expired, the Plan will inform the health care provider of all of the details of the Qualified Beneficiary's right to pay for such coverage during the applicable grace period.

Coordination of Benefits - Medicare and COBRA

For purposes of this Section, "Medicare Entitlement" means being entitled to Medicare due to either: (1) enrollment (automatically or otherwise) in Medicare Parts A or B, or (2) being medically determined to have end-stage renal disease ("ESRD"), and (a) having applied for Medicare Part A; (b) having satisfied any waiting period requirement and (c) being either (i) insured under Social Security, (ii) entitled to retirement benefits under Social Security or (iii) a spouse or dependent of a person satisfying either (i) or (ii). Such Medicare entitlement is a COBRA terminating event.

If a Covered Employee has a Qualifying Event due to his Termination of Employment or reduction in work hours, and such Qualifying Event occurs less than eighteen (18) months after the date the Covered Employee became entitled to Medicare, the maximum period of COBRA Continuation Coverage for the Covered Employee's Qualifying Dependents shall be extended to the last day of the thirty-six (36) month period measured from the date the Covered Employee became entitled to Medicare, while the maximum period of COBRA Continuation Coverage for the Covered Employee is eighteen (18) months from the Qualifying Event, subject to the termination of coverage provisions of the applicable group health Welfare Program.

If a Covered Employee has a Qualifying Event due to his termination of employment or reduction in work hours and, after the Covered Employee has elected COBRA Continuation Coverage and during the first eighteen (18) months of COBRA Continuation Coverage, the Covered

Employee first becomes entitled to Medicare, the Covered Employee's COBRA Continuation Coverage shall end and the maximum period of COBRA Continuation Coverage for his Qualified Dependents who were Qualified Beneficiaries and elected COBRA Continuation Coverage shall be extended to the last day of the thirty-six (36) month period measured from the date of the Qualifying Event, subject to the termination of coverage provisions of the applicable group health Welfare Program.

Relocation and COBRA Coverage

If a Qualified Beneficiary moves outside the service area of a region-specific group health benefit package, alternative coverage, if available to similarly situated active Employees, will be made available to the Qualified Beneficiary no sooner than the date of the Qualified Beneficiary's relocation, or if later, the first day of the month following the month in which the Qualified Beneficiary requests the alternative coverage.

COBRA Coverage and HIPAA Special Enrollment Rules

Once a Qualified Beneficiary is receiving COBRA Continuation Coverage, the Qualified Beneficiary has the same right to enroll family members under the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") rules as if the Qualified Beneficiary were an Employee or Participant in the Plan, provided that such family members do not become Qualified Beneficiaries, and who are therefore eligible to elect COBRA Continuation Coverage in their own right.

Election of COBRA Continuation Coverage by a Qualified Beneficiary may serve to bridge coverage between this Plan and any future coverage under another group health plan, may preserve the Qualified Beneficiary's creditable coverage period and reduce or avoid applicable pre-existing condition exclusions under another group health plan.

Procedures for Providing Notices

The Plan Administrator shall establish procedures for the furnishing of notices required by a Covered Employee, Qualifying Dependent or Qualified Beneficiary to the Employer and/or Plan Administrator including Qualifying Event notices, notice of disability determination or Medicare entitlement, change in disability determination, and Medicare entitlement. Such procedures may: be described in the Plan's Summary Plan Description; specify the individual or entity designated to receive such notices; specify the form and means of delivery of such notices (including requiring the use of certain forms when submitting such notices); describe the information required by the Plan to provide COBRA Continuation Coverage rights; and shall comply with applicable federal laws regarding requirements for timing and content of such notices. Moreover, the Plan Administrator may select or appoint another entity or individual to handle COBRA administration, where applicable.

COBRA Definitions

For purposes of this Section only, the following definitions shall apply:

- (a) **"COBRA"** means the Consolidated Omnibus Budget Reconciliation Act of 1985, as

amended.

- (b) **“COBRA Continuation Coverage”** means the coverage elected by a Qualified Beneficiary as of the date of a Qualifying Event. This coverage shall be the same as the health coverage provided to Similarly Situated Beneficiaries who have not experienced a Qualifying Event as of the date the Qualified Beneficiary experiences a Qualifying Event. If the provisions of this Plan are modified for Similarly Situated Beneficiaries, such coverage shall also be modified in the same manner for all Qualified Beneficiaries as of the same date. Open enrollment rights extended to active Employees will also be extended to Similarly Situated Qualified Beneficiaries.
- (c) **“Continuation Coverage Contribution”** means the amount of premium contribution required to be paid by or on behalf of a Qualified Beneficiary for COBRA Continuation Coverage.
- (d) **“Continuation Coverage Period”** means the applicable time period for which Continuation Coverage may be elected.
- (e) **“Covered Employee”** means an Employee covered under this Plan on the day prior to the Qualifying Event. If an individual who otherwise would be a Covered Employee is denied coverage under the Plan in violation of applicable law, including HIPAA, the individual is considered a Covered Employee.
- (f) **“Annual Enrollment Period”** means a period during which an Employee covered under the Plan can choose to be covered under another Plan or under another benefit option within the same plan, or add or eliminate coverage of family members.
- (g) **“Qualified Beneficiary”** means a Covered Employee or Qualifying Dependent.
- (h) **“Qualifying Dependent”** means:
 - i. a Covered Employee’s Spouse or Dependent child covered under this Plan on the day prior to the Qualifying Event; or
 - ii. a Dependent child who is born to, adopted by or placed for adoption with a Covered Employee during the Covered Employee’s period of COBRA Continuation Coverage.
- (i) **“Qualifying Event”** means any of the following events which would otherwise result in a Covered Employee’s or a Qualifying Dependent’s loss of health coverage in the absence of this provision:
 - i. a Covered Employee’s Termination of Employment, for any reason other than gross misconduct;
 - ii. a Covered Employee’s reduction in work hours resulting in a change of

status such that the Covered Employee is no longer eligible to be a Covered Employee;

- iii. a Covered Employee's divorce or legal separation;
- iv. a Qualified Dependent ceasing to qualify as a Dependent under the provisions of this Plan;
- v. a Covered Employee's entitlement to benefits under Medicare;
- vi. the death of a Covered Employee; or
- vii. the failure of a Covered Employee to return from FMLA leave.

Loss of coverage includes any increase in the premium or contribution that must be paid by the Covered Employee (or Spouse or Dependent) for coverage under the Plan that results from the occurrence of one of the events listed above in subsections (i) – (vii). The loss of coverage need not occur immediately after the event, so long as the loss of coverage occurs before the end of the maximum COBRA Continuation Coverage period. If coverage is reduced or eliminated in anticipation of an event, such reduction or elimination is disregarded in determining whether the event causes a loss of coverage.

- (j) **“Similarly Situated Beneficiaries”** means Employees or their Dependents, as applicable, who are Participants in this Plan.

BENEFIT PLAN PROVISIONS

All documents relating to the Employee Insurance Benefits Program, including the Evidence/Certificate of Coverage for each plan, Listing of Network Providers, Contribution Rates, General COBRA Notice, General HIPAA, Medicare Creditable Coverage Notice and any other relevant Plan Documents or Notices, are available to employees and their dependents. Plan participants may receive a paper copy of any of the above documents free of charge by contacting the Plan Sponsor.

Please refer to the plan documents which may include a combination of certificates of coverage, plan documents and summary plan descriptions for each plan's specific details. These documents will include the description of benefits, cost-sharing provisions, requirements for use of network providers and circumstances by which benefits may be excluded or denied.

STATUTORY PROVISIONS

Family and Medical Leave Act

To be eligible for FMLA leave, employees must have worked for covered employers for a total of 12 months and for at least 1,250 hours in the previous 12 months. The 1,250-hour threshold can be met whether employees work full time or part time. Employers with multiple worksites are covered by FMLA if the worksites are within a 75 mile radius of each other and the number of employees equals 50 or more by counting employees at all worksites. The 75 mile radius is measured in surface miles, rather than linear miles.

If you go on a qualified unpaid leave under the Family and Medical Leave Act of 1993 (FMLA), the following rules will apply. Only to the extent required by FMLA (among other things, this means only for the duration of a qualifying leave), will continue to maintain your health plan benefits on the same terms and conditions as though you were still an active employee. Except as otherwise provided by FMLA, your Plan participation will cease when the Plan Administrator learns that you do not intend to return to work after your leave.

If earlier, your Plan participation will immediately cease upon expiration of your FMLA leave, if you fail to return to work at such time. Except as otherwise provided in the FMLA, if you fail to return to work after the FMLA leave, you will be required to reimburse the Employer for the cost of the coverage provided to you while you were on FMLA leave (the cost equals the COBRA premium, without a 2% add-on, and minus any employee contribution you already made). For more information on FMLA, please contact the Employer, where you may obtain a summary of your rights under FMLA without charge. The Employer has the responsibility to provide you with prior written notice of the terms and conditions under which payment must be made. Failure to make payment within 30 days of the due date established by your Employer will result in the termination of coverage. Subject to certain exceptions, if you fail to return to work after the leave of absence, your Employer has the right to recover from you any contributions toward the cost of coverage made on your behalf during the leave, as outlined in the FMLA.

If coverage is terminated for failure to make payments while you are on an approved family or medical leave of absence, coverage for you and your eligible dependents will be automatically reinstated on the date you return to employment if you and your dependents are otherwise eligible under the plan. Any waiting period for pre-existing conditions or other waiting periods will not apply. However, all accumulated annual and lifetime maximums will apply.

The Plan intends to comply with all existing FMLA regulations. If for some reason the information presented differs from actual FMLA regulations, the Plan reserves the right to administer the FMLA in accordance with such actual regulations.

Military Leave Coverage

The Uniformed Services Employment and Reemployment Rights Act (USERRA) establishes requirements that employers must meet for certain employees who are involved in the uniformed services

As used in this provision, “Uniformed Services” means:

- The Armed Forces;
- The Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty (pursuant to orders issued under federal law);
- The commissioned corps of the Public Health Service; and
- Any other category of persons designated by the President in time of war or national emergency.

As used in this provision, “Service in the Uniformed Services” or “Service” means the performance of a duty on a voluntary or involuntary basis in a Uniformed Service under competent authority and includes:

- Active duty;
- Active duty for training;
- Initial active duty training;
- Inactive duty training;
- Full-time National Guard duty,
- A period for which you are absent from your job for purpose of an examination to determine your fitness to perform any such duties;
- A period for which you are absent from your job for the purpose of performing certain funeral honors duty; and
- Certain service by intermittent disaster response appointees of the National Disaster Medical System (NDMS).

If you were covered under this Plan immediately prior to taking a leave for Service in the Uniformed Services, you may elect to continue your coverage under USERRA for up to 24 months from the date your leave for uniformed service began, if you pay any required contributions toward the cost of the coverage during the leave. This USERRA continuation coverage will end earlier if one of the following events takes place:

- 1) You fail to make a premium payment within the required time;
- 2) You fail to report to work or to apply for reemployment within the time period required by USERRA following the completion of your service; or
- 3) You lose your rights under USERRA, for example, as a result of a dishonorable discharge.

If the leave is 30 days or less, your contribution amount will be the same as for active employees. If the leave is longer than 30 days, the required contribution will not exceed 102% of the cost of coverage. Coverage continued under this provision runs concurrently with coverage described below under the section entitled “COBRA Continuation Coverage.”

If your coverage under the Plan terminated because of your Service in the Uniformed Services, your coverage will be reinstated on the first day you return to employment if you are released under honorable conditions and you return to employment within the time period(s) required by USERRA.

When coverage under this Plan is reinstated, all of the Plan’s provisions and limitations will apply to the extent that they would have applied if you had not taken military leave and your coverage had been continuous. This waiver of limitations does not provide coverage for any illness or injury caused or aggravated by your military service, as determined by the VA. (For complete information regarding your rights under USERRA, contact your Employer.)

The Plan intends to comply with all existing regulations of USERRA. If for some reason the information presented in the Plan differs from the actual regulations of USERRA, the Plan reserves the right to administer the plan in accordance with such actual regulations.

STATEMENT OF ERISA RIGHTS

As a participant in the Plan (which is a type of employee welfare plan called a “group health plan”) you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all group health plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator’s office and at other specified locations, such as worksites and union halls, all documents governing the Plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Medical Loss Ratio (MLR)

In certain circumstances under the Medical Loss Ratio Standards in section 2718 of the Patient Protection and Affordable Care Act of 2010 (PPACA), rebates may be paid to this Plan. The federal law requires that the issuer of the rebate (the insurance company) provide you a written notice of a rebate, at the time the rebate is paid to the Plan. The rebate will be prorated between the amount attributable to Plan costs paid by the Plan Sponsor and Plan costs paid by participants. The participant portion of the rebate will be used for the benefit of the Plan participants. This can be done by a number of actions, including but not limited to lowering the Plan costs for the participants for the next Plan Year, applied towards the cost of administering the Plan, paid as taxable income to the participants, or in any manner that allocates the rebate to Participants based on each Participant’s actual contributions, or to apportion it on any other reasonable basis.

Continue Group Health Plan Coverage

To continue health care coverage for yourself, legal spouse defined by Federal and State Law or dependents if there is a loss of coverage under the Plan as a result of a Qualifying Event. Benefit Program shall establish reasonable written procedures to determine whether a medical child support order is a qualified medical child support order. Such procedures shall be made available upon request of a Participant at no charge

Medicaid

If a Health Benefit Program is subject to ERISA § 609(b), then this Section shall apply.

Payment for benefits with respect to a Participant under a Health Benefit Program will be made in accordance with any assignment of rights made by or on behalf of such Participant or a beneficiary of the Participant as required by a State plan for medical assistance approved under title XIX of the Social Security Act pursuant to Section 1912(a)(1)(A) of such Act (as in effect on the date of the enactment of the Omnibus Budget Reconciliation Act of 1993).

- 4) The fact that a Participant is eligible for or is provided medical assistance under a State plan for medical assistance approved under title XIX of the Social Security Act will not be taken into account in enrolling such Participant or in determining or making benefit payments for such Participant.
- 5) To the extent that payment has been made under a State plan for medical assistance approved under title XIX of the Social Security Act in any case in which a Health Benefit Program has a legal liability to make payment for items or services constituting such assistance, payment for benefits under such program will be made in accordance with any State law which provides that the State has acquired the rights with respect to a Participant to such payment for such items or services.

Newborn and Mothers Health Protection Act

If a Health Benefit Program is subject to ERISA § 711, then this Section shall apply.

- 4) Such Health Benefit Program shall not:

- a) deny to the mother or her newborn child eligibility, or continued eligibility, to enroll or to renew coverage under the terms of the Health Benefit Program, solely for the purpose of avoiding the requirements referenced above.
- b) provide monetary payments or rebates to mothers to encourage such mothers to accept less than the minimum protections available, referenced above.
- c) penalize or otherwise reduce or limit the reimbursement of an attending provider because such provider provided care to an individual Participant or beneficiary as referenced above.
- d) provide incentives (monetary or otherwise) to an attending provider to induce such provider to provide care to an individual Participant or beneficiary in a manner inconsistent with the plan; or
- e) restrict benefits for any portion of a period within a hospital length of stay required, in a manner which is less favorable than the benefits provided for any preceding portion of such stay; provided, nothing herein shall be construed to limit the terms of the Health Benefit Program with respect to deductibles, copayments or other cost-sharing provisions and limitations, except that such terms may not impose greater limits or cost sharing on any length of stay required

Patient Protection and Affordable Care Act

If a Health Benefit Program is not exempted under ERISA § 732 from the requirements of Title I of the Patient Protection and Affordable Care Act of 2010, the Health Benefit Program shall be operated in accordance with such requirements.

Premium Assistance Under Medicaid and the Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State in this link (www.medicaid.gov/medicaid-chip-program-information/by-topics/childrens-health-insurance-program-chip/chip-state-program-information.html) you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial 1-877-KIDS NOW or www.insurekidsnow.gov to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

Genetic Information Nondiscrimination Act (“Gina”).

“GINA” shall mean the Genetic Information Nondiscrimination Act of 2008 (Public Law No. 110-233), which prohibits group health plans, issuers of individual health care policies, and employers from discriminating on the basis of genetic information.

GINA prohibits a group health plan from adjusting group premium or contribution amounts for a group of similarly situated individuals based on the genetic information of members of the group.

The term “genetic information” means, with respect to any individual, information about:

1. Such individual’s genetic tests;
2. The genetic tests of family members of such individual; and
3. The manifestation of a disease or disorder in family members of such individual.

The term “genetic information” includes participating in clinical research involving genetic services. Genetic tests would include analysis of human DNA, RNA, chromosomes, proteins, or metabolite that detect genotypes, mutations, or chromosomal changes. Genetic information is a form of Protected Health Information (PHI) as defined by and in accordance with the Health Insurance Portability and Accountability Act of 1996 (HIPAA), and is subject to applicable Privacy and Security Standards.

“Family members” include dependents, plus all relatives to the fourth degree, without regard to whether they are related by blood, marriage, or adoption.

“Underwriting” includes any rules for determining eligibility, computing premiums or contributions, and applying preexisting conditions. Offering reduced premiums or other rewards for providing genetic information would be impermissible underwriting.

Subrogation and Recovery

If a Participant incurs covered expenses or receives benefits under a Benefit Program with respect to an injury or illness for which a third party (or its insurer) may be liable, the Plan retains all rights of subrogation, recovery and reimbursement as set out more specifically in the Governing Documents for each Benefit Program.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the Plan. The people who operate the Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

ENFORCE YOUR RIGHTS

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. In addition, if you disagree with the Plan’s

decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in Federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Receive a summary of the Plan's annual financial report.

The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.
